

MISSION

To provide healthy meals to Minnesotans in areas where need is greatest.

VISION

We are guided by our vision that all people – regardless of socioeconomic, cultural, religious, or ethnic background – deserve to meet their basic needs for food, dignity, and respect.

PROGRAMS

Community Meals

We offer free, healthy meals at over 30 community locations. We welcome anyone in need — no questions asked.

Food Rescue

We rescue millions of pounds of food from partnering restaurants, grocery stores, cafeterias, businesses, and more to distribute and repurpose into nutritious meals.

Street Outreach

Every week, our team brings mobile meals and groceries to people experiencing homelessness, to eliminate food access obstacles.

The HUB

The HUB program enables partnering nonprofits and small community meal groups to source healthy food from our inventory to prepare and serve their own meals to their community.

Advocacy

We speak with our guests and share helpful resources to serve their unique needs, including referrals for transportation, housing, health plans, volunteering, and more.

We welcome anyone who would benefit from a free nutritious meal.
